MARINE & INDUSTRIAL LUBRICANT SOLUTIONS

Maximizing your flow, on every voyage and in every plant.

ABOUT

DEPENDABLE LUBRICATION FOR MARINE AND INDUSTRY

MAXFLUID supplies marine and industrial lubricants that help machinery run cleaner, cooler and longer. The right oil does more than fill a sump; it protects engines and equipment, limits wear and keeps operations on schedule.

Our range covers cylinder oils, system oils, trunk piston engine oils, multigrade engine oils, hydraulic fluids, gear oils, turbine oils, air compressor and refrigeration oils, and marine greases.

We work with ship owners, ship managers, ship chandlers, industrial users and maintenance teams, helping them select suitable grades and keep supply dependable.

Equivalency Guide

Maximizing your flow

OUR MISSION

To supply dependable, fit-for-purpose lubricants and clear technical guidance so that customers can protect their equipment, control operating cost and keep machinery running when it matters.

OUR VISION

To be the lubricant partner that marine and industrial operators trust first, known for consistent quality, honest advice and responsive service.

OUR VALUES

1 QUALITY

We supply lubricants matched to the job, with consistency from one order to the next.

2 EXPERTISE

We help customers choose suitable grades and confirm equipment requirements before they order.

3 RELIABILITY

Customers rely on us for supply and service when machinery performance matters most.

4 PARTNERSHIP

We build lasting relationships through clear communication and practical solutions.

MARINE LUBRICATION SOLUTIONS

ENGINEERED FOR THE DEMANDS OF MARINE OPERATIONS

Marine machinery works under heavy loads, wide temperature swings, long running hours and a harsh sea environment.

MAXFLUID offers lubricants for the main engine, auxiliary engines, deck machinery, gearboxes, compressors and refrigeration plant, so one supplier can cover the whole vessel.

OUR MARINE PORTFOLIO

CYLINDER OILS

High-performance cylinder lubricants in several TBN grades for 2-stroke slow-speed crosshead engines. Choose the grade to suit the fuel sulphur level.

Available grades:

- Cylinder L140
- Cylinder L100
- Cylinder L70
- Cylinder Super S4
- Cylinder L40
- Cylinder L25
- Cylinder LS

SYSTEM OILS

A circulating oil for the crankcase, bearings and camshaft of slow-speed crosshead engines, with protection against corrosion.

- Marine System S 30

OUR MARINE PORTFOLIO

TRUNK PISTON ENGINE OILS

Detergent oils for 4-stroke medium and high speed engines, from low-TBN grades for MDO to high-TBN grades for heavier duty.

Our range includes:

- Marine Piston S2 30 / S2 40
- Marine Piston S3 30 / S3 40
- Marine Piston S4 40
- Marine Piston S5 40
- Marine Piston T340
- Protevia S3 30 / S3 40

MULTIGRADE MARINE ENGINE OILS

A 15W-40 API CI-4 multigrade for auxiliary diesel engines and gensets operating on MDO/MGO.

- Marine Gold 15W-40

OUR MARINE PORTFOLIO

REGULAR HYDRAULIC OILS

MaxHydro HD series. Anti-wear (HLP) oils for deck machinery, hatch covers, steering gear and thrusters.

MaxHydro HD Series:

- ISO VG 22
- ISO VG 32
- ISO VG 46
- ISO VG 68
- ISO VG 100
- ISO VG 150

HVI HYDRAULIC OILS

MaxHydro HDZ series. High viscosity index (HVLP) oils for steady viscosity across a wide temperature range.

MaxHydro HDZ Series:

- ISO VG 15
- ISO VG 22
- ISO VG 32
- ISO VG 46
- ISO VG 68
- ISO VG 100
- ISO VG 150

OUR MARINE PORTFOLIO

GEAR OILS

GearTech S2 G 68 – 680 (ISO VG, CKD)

TURBINE OILS

Turbex T 32 – 100 (ISO VG, R&O)

AIR COMPRESSOR OILS

MaxFluid Compressor Oil P 32 – 150

PAO AIR COMPRESSOR OILS

Max Compressol S4 R 32 – 150

POE REFRIGERATION OILS

Chill Oil FR 22 – 220

MARINE GREASES

Max Multipurpose EP series (NLGI 0 – 3)

MARINE LUBRICANTS PRODUCTS APPLICATION

CYLINDER OILS

Product Name	SAE Grade & BN
Cylinder L140	SAE 60 · TBN 140
Cylinder L100	SAE 50 · TBN 100
Cylinder L70	SAE 50 · TBN 70
Cylinder Super S4	SAE 50 · TBN 60
Cylinder L40	SAE 50 · TBN 40
Cylinder L25	SAE 50 · TBN 25
Cylinder LS	SAE 50 · TBN 40 (LS)

MULTIGRADE ENGINE OILS

Product Name	SAE Grade & BN
Marine Gold 15W-40	15W-40 · API CI-4

TRUNK PISTON ENGINE OILS

Product Name	SAE Grade & BN
Marine Piston S3 30	SAE 30 · TBN 30
Marine Piston S3 40	SAE 40 · TBN 30
Marine Piston S4 40	SAE 40 · TBN 40
Marine Piston T340	SAE 40 · TBN 40
Marine Piston S5 40	SAE 40 · TBN 55
Protevia S3 30	SAE 30 · TBN 15
Protevia S3 40	SAE 40 · TBN 15
Marine Piston S2 30	SAE 30 · TBN 20
Marine Piston S2 40	SAE 40 · TBN 20

SYSTEM OILS

Product Name	SAE Grade & BN
Marine System S 30	SAE 30 · TBN 5

REGULAR HYDRAULIC OILS

Product Name	ISO Grade
MaxHydro HD 22	ISO VG 22
MaxHydro HD 32	ISO VG 32
MaxHydro HD 46	ISO VG 46
MaxHydro HD 68	ISO VG 68
MaxHydro HD 100	ISO VG 100
MaxHydro HD 150	ISO VG 150

HVI HYDRAULIC OILS

Product Name	ISO Grade
MaxHydro HDZ 15	ISO VG 15
MaxHydro HDZ 22	ISO VG 22
MaxHydro HDZ 32	ISO VG 32
MaxHydro HDZ 46	ISO VG 46
MaxHydro HDZ 68	ISO VG 68
MaxHydro HDZ 100	ISO VG 100
MaxHydro HDZ 150	ISO VG 150

MARINE LUBRICANTS PRODUCTS APPLICATION

GEAR OILS

Product Name	ISO Grade
GearTech S2 G 68	ISO VG 68
GearTech S2 G 100	ISO VG 100
GearTech S2 G 150	ISO VG 150
GearTech S2 G 220	ISO VG 220
GearTech S2 G 320	ISO VG 320
GearTech S2 G 460	ISO VG 460
GearTech S2 G 680	ISO VG 680

TURBINE OILS

Product Name	ISO Grade
Turbex T 32	ISO VG 32
Turbex T 46	ISO VG 46
Turbex T 68	ISO VG 68
Turbex T 100	ISO VG 100

PAO AIR COMPRESSOR OILS

Product Name	ISO Grade
Max Compressol S4 R 32	PAO · ISO VG 32
Max Compressol S4 R 46	PAO · ISO VG 46
Max Compressol S4 R 68	PAO · ISO VG 68
Max Compressol S4 R 100	PAO · ISO VG 100
Max Compressol S4 R 150	PAO · ISO VG 150

POE REFRIGERATION OILS

Product Name	ISO Grade
Chill Oil FR 22	ISO VG 22 · POE
Chill Oil FR 32	ISO VG 32 · POE
Chill Oil FR 46	ISO VG 46 · POE
Chill Oil FR 68	ISO VG 68 · POE
Chill Oil FR 100	ISO VG 100 · POE
Chill Oil FR 170	ISO VG 170 · POE
Chill Oil FR 220	ISO VG 220 · POE

AIR COMPRESSOR OILS

Product Name	ISO Grade
MaxFluid Compressor Oil P 32	ISO VG 32
MaxFluid Compressor Oil P 46	ISO VG 46
MaxFluid Compressor Oil P 68	ISO VG 68
MaxFluid Compressor Oil P 100	ISO VG 100
MaxFluid Compressor Oil P 150	ISO VG 150
